§ 76.933

(including increases in the baseline channel change that results from reductions in the number of channels in a tier) must use the appropriate official FCC form, a copy thereof, or a copy generated by FCC software. Failure to file on the official FCC form, a copy thereof, or a copy generated by FCC software, may result in the imposition of sanctions specified in § 76.937(d). A cable operator shall include rate cards and channel line-ups with its filing and include an explanation of any discrepancy in the figures provided in these documents and its rate filing.

[59 FR 17973, Apr. 15, 1994]

§ 76.931 Notification of basic tier availability.

A cable operator shall provide written notification to subscribers of the availability of basic tier service by November 30, 1993, or three billing cycles from September 1, 1993, and to new subscribers at the time of installation. This notification shall include the following information:

- (a) That basic tier service is available;
- (b) The cost per month for basic tier service;
- (c) A list of all services included in the basic service tier.

EFFECTIVE DATE NOTE: At 65 FR 53617, Sept. 5, 2000, § 76.931 was removed, effective Oct. 5, 2000.

§ 76.932 Notification of proposed rate increase.

A cable operator shall provide written notice to a subscriber of any increase in the price to be charged for the basic service tier or associated equipment at least 30 days before any proposed increase is effective. The notice should include the name and address of the local franchising authority.

EFFECTIVE DATE NOTE: At 65 FR 53617, Sept. 5, 2000, § 76.932 was removed, effective Oct. 5, 2000.

§ 76.933 Franchising authority review of basic cable rates and equipment costs.

(a) After a cable operator has submitted for review its existing rates for the basic service tier and associated equipment costs, or a proposed increase in these rates (including increases in the baseline channel change that results from reductions in the number of channels in a tier) under the quarterly rate adjustment system pursuant to Section 76.922(d), the existing rates will remain in effect or the proposed rates will become effective after 30 days from the date of submission; *Provided, however*, that the franchising authority may toll this 30-day deadline for an additional time by issuing a brief written order as described in paragraph (b) within 30 days of the rate submission explaining that it needs additional time to review the rates.

(b) If the franchising authority is unable to determine, based upon the material submitted by the cable operator, that the existing, or proposed rates under the quarterly adjustment system pursuant to Section 76.922(d), are within the Commission's permitted basic service tier charge or actual cost of equipment as defined in §§ 76.922 and 76.923, or if a cable operator has submitted a cost-of-service showing pursuant §§ 76.937(c) and 76.924, seeking to justify a rate above the Commission's basic service tier charge as defined in §§ 76.922 and 76.923, the franchising authority may toll the 30-day deadline in paragraph (a) of this section to request and/or consider additional information or to consider the comments from interested parties as follows:

(1) For an additional 90 days in cases not involving cost-of-service showings; or

(2) For an additional 150 days in cases involving cost-of-service showings.

(c) If a franchising authority has availed itself of the additional 90 or 150 days permitted in paragraph (b) of this section, and has taken no action within these additional time periods, then the proposed rates will go into effect at the end of the 90 or 150 day periods, or existing rates will remain in effect at such times, subject to refunds if the
